

Here at Loose Reins, we have tried to provide everything that you will need to make your stay as comfortable as possible. Below is a list of everything that you will find in your cabin.

**In the kitchen:** There is an oven, a four-hob gas stove, fridge, freezer and Belfast sink with drinking water. There are pots and pans, cooking utensils, kettle, crockery, cutlery, glassware, tea, coffee, sugar, condiments, fresh herbs, washing-up equipment, kitchen roll, tea towels, cling-film, tinfoil, food bags and wooden skewers. We also provide milk and brownies.

**In the bedroom:** There is a full set of bedding and bed linen for each bed, plus an electric blanket on the king-size in the winter months. There is a quilt on the bed, as well as spare blankets, hot water bottles, a torch, hair-dryer and bedtime story book.

**In the living area:** There is a table and seating area, as well as a wood-burning stove. We provide matches, fire-lighters, logs and kindling for the wood-burner. You will also find a box of board games, such as Monopoly, Scrabble, Snakes and Ladders, Jenga and a set of cards, plus a personalised OS Explorer Map and a DAB radio.

**In the bathroom:** There is a full-sized shower and a sink with hot water on demand and a flushing toilet. We provide bath sheets, hand towels, a bath mat, three loo rolls, cotton wool, hand soap and lotion, plasters and tissues.

**Electricity and heating:** There is electric lighting indoors and outdoors, as well as sockets throughout the cabin for you to use. The wood-burning stove will keep your cabin nice and toasty whatever the time of year, but we do provide an electric heater in the winter months for you to use as an alternative to the wood-burner, if you wish.

**On the porch and outside:** There is an outdoor eating area on the porch, as well as two rocking chairs, a large chest for storage, outdoor lighting, candles, logs, kindling, an ash bucket and boot pull. You then have your own fire bowl and seating area for barbecuing, complete with barbecue tools and wood. We also provide a trolley for luggage and heavier items if you need it.

**For your dog:** We provide a bed, towels, portable dog shower, a dog's guide to the local area, treats and poo bags, plus food and water bowls.
